A representative from POLCO is scheduled to speak with our group regarding the services they provide as well as the impact “Smart Engagement” has on local government decision making.

As always, if you have any questions for discussion as a group you can bring them up at the end.

We will be ordering lunch off the menu (paid for by members). Please RSVP if you plan to attend to Mitch Foster at administrator@winneconnwi.gov by Friday, February 9th so that an accurate count for lunch can be provided.
